

MEMORIAL APPLICATION NEVER LAND BARBICAN

Our Never Land themed baby garden was created by the Chesterfield branch of SANDS, the Stillbirth And Neonatal Death Society.

The garden was designed as a quiet and reflective place for families to remember their babies.

The plaques can be personalised with an inscription of your choice up to 80 characters. If you wish, you can also add a small image to the plaque. The cost of plaques with images is not included in the cost of the adoption. Each image is individually priced dependant on design. If a design is added, the characters will be limited to 66.

Terms & Conditions

We ask that all visitors help us to keep the crematorium grounds tidy and attractive by placing floral tributes in the receptacles provided, laying on the grass (preferably unwrapped) any floral tributes that cannot be displayed in the receptacles and not leaving any unauthorised tributes. If such items are found they will be removed from the area and kept for up to 3 months for you to collect if you wish. We will need to move flowers from the grassed areas when cutting the grass and we cannot guarantee that they will be put back in the same place. Once a memorial is provided, the responsibility for any maintenance is reserved exclusively to the Chesterfield Crematorium. In the event of a memorial not being renewed after the adoption period, the plaque will be removed from the memorial and kept for up to 3 months for you to collect if you wish.
