#### This Football Club Supports The FA Respect Programme

The FA Respect Programme is a national initiative to promote respect and fair play in football. It aims to create a safe and enjoyable environment for all players and staff.

Grants of £150,000 provided by the  
Staveley Town Deal for drainage and  
irrigation of our Juniors pitches.

# Town Fund Project

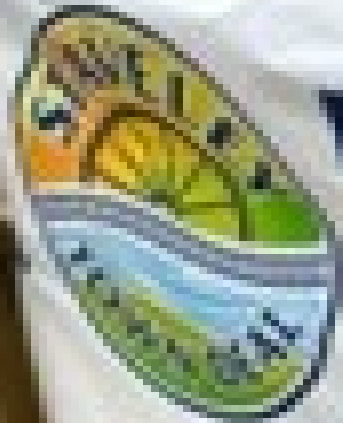

- ▶ Redevelopment of Car park opposite Chantry Park
  - ▶ Removal of trees to open up the site
  - ▶ Levelling and resurfacing of the existing ground
- ▶ Improve safety and security for users of Chantry and Poolsbrook Country Park.
- ▶ Key outcomes will include:
  - ▶ Reduction in crime carried out in car park
  - ▶ Reduction in illegal parking on main road (and time savings for local police)
  - ▶ Improved security for users of the car park
  - ▶ Safe crossing for users of the car park

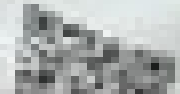

# Enhancing skills and careers

For more information, visit [www.uk.gov](http://www.uk.gov)

# Town Fund Project 2

- ▶ Our second Grant ask is for the Creation of an education and training rooms at Inkersall Road.
- ▶ To provide opportunity for young people to remain in education in the local community.
- ▶ Initial cohort of 20 boy students (year 1) – progressing to 60 total per annum by year 5 with both boys and girls.
- ▶ Opportunity for employment within football club, football facility or potentially local businesses.
- ▶ Ability to run afterschool / homework club for disadvantaged young people from the site linked to sporting provision.
- ▶ Targeting non-football activities – dance classes/chess clubs/health and safety classes - very much a wide audience.

# Virtual Learning UK

- ▶ We have signed a contract with what we believe to be the highest quality education provider in the UK – Virtual Learning UK – educating over 1500 students a year.
- ▶ The BTEC Course – see response from VLUK on the suggestion BTEC is ceasing.

## About Us

### Excellence in Teaching and Learning

Established in 2008, VLUK provides a range of services to the education sector, from CPD and teacher training, through to full time education programmes for young people.

We are an approved government provider, educating over 1500 young people aged 16-24 each academic year at Levels 2-5.

As part of the Virtual Alliance Group, we have an impressive track record of creating, developing and delivering education projects to the sector. Our Senior team is made up of education professionals and consultants with vast experience of leadership in all aspects of delivering outstanding education programmes.

### Mission Statement

VLUK is dedicated to creating, establishing and embedding learning communities that are rooted in industry, meets local socio-economic needs and provide the innovation, professionalism, motivation, leadership and guidance learners require so that learners progress within the community and arrive at the career destination of their choice.

## Our Vision

Our learning community will excel from the provision of high quality teaching and learning and we will achieve this through:

- Excellence in Education
- Building local community and industry links
- Effective leadership, governance and financial control
- Making learners responsible for their own learning
- Communication of clear expectations and the provision of the resources to meet those expectations
- Working closely with stakeholders to innovate and promote / embed curriculum and learning opportunities
- Guidance - ensuring we guide our learning community to be the best we can be in all aspects of our lives

# VLUK Ofsted

- ▶ VLUK achieves top grades in Ofsted report
- ▶ *Posted on 01 November 2021*
- ▶ Virtual Learning UK has today announced it has achieved the top grades of 'significant progress' in all three themes of the Ofsted New Provider framework. This is the first time a new 16-19 provider has ever achieved the top grade in all three themes. The report has been published by Ofsted today (5th November 2021), based on an inspection carried out on 13th and 14th October 2021.
- ▶ VLUK began a direct contract with the Education and Skills Funding Agency (ESFA) in 2019 for 16-19 study programmes and this is the first time Ofsted has visited its campuses. The judgement recognises that VLUK is making 'Significant Progress' in; designing and delivering relevant education programmes; providing quality teaching and learning experiences; and keeping learners safe. Ofsted specifically recognised the work done by the VLUK Leadership, stating: "They have meticulously designed the curriculum so that learners swiftly develop the skills, knowledge and professional behaviours they need for higher education and employment".
- ▶ A New Provider Monitoring Visit (NPMV) is carried out by Ofsted within 3 years of a direct contract being awarded. It assesses the progress being made towards a full inspection.

## Virtual Learning uk Level 3 BTEC Sport

Sports Coaching & Development

Sept 2024

[www.vluk.org](http://www.vluk.org)

## Study & Play your way to success with Staveley MWFC and VLUK

If you're aged 16-18 and interested in sports coaching, then we could have the perfect course for you.

In addition to studying sport, you will have access to our professional staff and facilities in the heart of the industry, where you will have the opportunity to develop your passion for sport.

### Level 3 National Extended Diploma in Sports Coaching and Development

This qualification is intended as a 2 year programme for post 16 students. It is equivalent to up to 3 A Levels and is intended for those wanting to progress directly into employment as a coach.

In addition, the breadth of content in this qualification allows learners to progress to a large variety of Higher Education and Degree level courses.

WORTH UP  
TO 3 A  
LEVELS

#### Units include:

- Health, Well-being & Sport
- Applied Coaching Skills
- Sport Development
- Sports Psychology
- Self-employment in Sport
- Nutrition for Physical Performance
- Practical Sports
- Marketing Communications

#### Entry Requirements

**5 GCSEs at grade 4 and above** (including English and Maths).

If you have grades D/3 or below you will need to continue to study on GCSE or Functional Skills, depending on the grades you have obtained.

We provide weekly taught lessons with a specialist tutor, where students are supported in how to pass the appropriate examination, provided with feedback on completed work and guidance on how to improve.

#### Course Structure

A typical week for a Level 3 student is made up of 16 hours of study, with the rest of the time dedicated to work experience. Learners work alongside highly trained staff to gain relevant experience of sports coaching and PE delivery.

THERE ARE  
**NO EXAMS**  
IN THESE  
**LEVEL 3**  
QUALIFICATIONS

#### Progression

A substantial number of students progress to university each year. Popular undergraduate courses include Sports Science, Sports Development, PE Teaching and Sports Psychology, as well as Business and Management programmes.

Other learners progress to work or on to an apprenticeship.

# VLUK Brochure

## Why VLUK Staveley MWFC Campus?

Our education courses will be held in a £2M new construction build with facilities therein sited adjacent to a recently installed FIFA quality pro 3G artificial surface. Students will not be expected to fit from classroom to sports facilities as they are as one here.

An air conditioned new build with student learning in 3 separated classrooms the environment being created is one of 'student priority' with safety and security being a key aspect of the facilities we provide as a football club and imminently as an education base is always our priority.

Having nearly 30-teams in our club, there are opportunities for boys and girls to play U19/21 and Step 7 and ultimately Step 6 football where youth development is our number one aim.

The community football club is here to serve those within it. Our ethos is about the "Community" and seeing local teenagers join our education course as we set about "life learning" within their educational time on our courses. It is about the club serving those using it.

# Land Ownership

- ▶ Concerns – car park lease and financial shortfall Staveley Town Council own the front car park . In 2020 as part of the Football Foundation and Premier League financial and legal due diligence, the project proceeded with the car park owned but subject to the Staveley Town Council having agreed a 25-year licence/lease subject to final negotiations on terms and conditions and that there was a proposed 2-year break Clause.
- ▶ The Staveley Miners Welfare in 1934 bought 5.79 hectares of land from the Chatsworth Estates Company for 572 pounds & a few shillings
- ▶ The land that was purchased included the car park area to the Inkersall Rd boundary.

perfectly for the benefit of the inhabitants of Staveley and particularly for the  
workers in or about Coal Mines and living in the said Parish of Staveley ~~1874~~  
whereas under and by virtue of an Appointment of new Trustees dated the Twenty  
eighth day of February One thousand nine hundred and thirty four the Purchasers are

# Next Steps

- ▶ The project has planning permission from the Chesterfield Borough Council
- ▶ Building Regulation Approval is being sought and will be submitted within the next 2 weeks.
- ▶ We are preparing in conjunction with Chesterfield Borough Council Procurement Invitations To Tender for the 9 separate works packages plus the appointment of a Principal Contractor to co-ordinate the works.
- ▶ The intended programme of works is set out below .

# Summary

- ▶ The project is a further enhancement in my vision to secure a self sustainable Community Football Club where local boys and girls at 16-18 year old can further educate whilst seeing local children and adults play for this club at all levels.
- ▶ Where other local groups of non-sporting basis can use the facility also. We have seen Derbyshire FA Referees boost their numbers by hosting scores of courses at the club with a further separate class roomed area above the existing current on-going facilities that are not compromised. This is a wide visioned project to target so many differing Groups.
- ▶ I have been successful in pursuing and securing £721,000 + £150,000 £160,000 + hopefully the circa £600,000 for this project cumulating to some £1.65M for the benefit of the people and Community of Staveley.
- ▶ I hope the Staveley Town Deal Board will support and sign off this project ask.
