## **Sexual Orientation**

### **Indication of the likely sexual orientation distribution of CBC's workforce**

CBC is beginning to collect information about the sexual orientation of the workforce, however, we understand that not everybody wishes to disclose this information to their employer. According to Stonewall, the Department of Trade and Industry uses a 'reasonable' estimate of 5-7% of the population are lesbian, gay or bisexual. This would mean that around 6228 people in the Borough are lesbian, gay or bisexual. (Chesterfield has an estimated population of 103,800 [Census 2011])

## **Gender Pay Gap**

The latest gender pay gap reporting information about Chesterfield Borough Council can be viewed on the Council's website at <https://www.chesterfield.gov.uk/living-here/people-and-families/equality-and-diversity/gender-pay-gap.aspx>
