

MEMORIAL APPLICATION MUSHROOM

Our memorial mushrooms are located within our Woodland Walk, which provides a peaceful area for you to remember your loved one. They are available in 3 sizes ranging from a small 3 disc mushroom to a large 5 disc mushroom.

There are 2 different options for adoption:

Communal Mushrooms A communal mushroom is for the adoption of one disc on a mushroom that others can also adopt discs. Your disc can be personalised with an inscription of your choice.

Individual Mushrooms A mushroom of any size can be adopted for a period of 3 or 5 years. All of the plaques on that mushroom will be for you to add your own messages.

Terms & Conditions

We ask that all visitors help us to keep the crematorium grounds tidy and attractive by placing floral tributes in the receptacles provided, laying on the grass (preferably unwrapped) any floral tributes that cannot be displayed in the receptacles and not leaving any unauthorised tributes. If such items are found they will be removed from the area and kept for up to 3 months for you to collect if you wish. We will need to move flowers from the grassed areas when cutting the grass and we cannot guarantee that they will be put back in the same place. Once a memorial is provided, the responsibility for any maintenance is reserved exclusively to the Chesterfield Crematorium. In the event of a memorial not being renewed after the adoption period, the plaque will be removed from the memorial and kept for up to 3 months for you to collect if you wish.
